

Product Specification

TOW UNIT 2 TONNE DHE.TW2T

The DHE-TW2T is a multi-purpose forklift jib for towing and lifting. It serves as a dual purpose, lightweight and simple to use forklift attachment which allows towing with the attached tow-ball, and doubles as a 2000kg lifting jib complete with 2 Tonne safety swivel hook. Includes two lifting hook positions and utilises two fork locking pins to secure the jib to the forks during operation. Zinc plated finish
